

A Bridge to Sustainability & Recovery for Kentucky Nonprofits

A designated sustainability and recovery plan for nonprofits:

- Invests in JOBS – KY's 3rd largest private sector industry, employing 10% of the state's workforce
- Strengthens KY's communities & quality of life, including services for the most vulnerable
- Supports more Kentuckians returning to work

A strong nonprofit sector is essential to a full economic recovery in Kentucky.

Solutions:

- Address Nonprofit Workforce Crisis
- Establish a \$150 Million Nonprofit Sustainability & Recovery Fund
- Enhance Tax Incentives to Increase Charitable Giving

Kentucky Nonprofit Network, the state association of nonprofits, and our Advocacy Alliance partners represent thousands of Kentucky's nonprofit organizations.
