

KNN's 18th annual statewide convening of nonprofits is going virtual and getting a new look. Kentucky Nonprofit Network's 2020 Virtual Summit will be held, well... **everywhere** across Kentucky for six mornings over two weeks – November 10-12 and November 17-19.

Featuring six keynote sessions from nationally recognized thought leaders, deep dive learning opportunities, morning coffee chats and enhanced networking opportunities, KNN's Summit remains your premier opportunity to connect with Kentucky's nonprofit decision-makers. In fact, the Virtual format offers you enhanced opportunities to interact with participants in meaningful ways through the Nonprofit Marketplace, virtual chat rooms and networking groups – providing the best exposure for your programs and services.

The 2020 Virtual Summit is powered by Whova, an award-winning event app that will showcase your customized exhibit booth in the Nonprofit Marketplace 24 hours/day starting November 2 and for three months following the Summit. Whova can be managed from any device and from any location, and there is no need for "fixed" staff time managing your exhibit booth.

Virtual Exhibitor Investment: \$525
