

First Nonprofit Group
An AmTrust Financial Company

First Nonprofit Group is dedicated to serving the nonprofit community by facilitating their growth through innovative insurance and financial services.

How We Help

We provide nonprofits and governmental entities with safe, cost-saving alternatives to State Unemployment Taxes (SUTA). Our programs eliminate SUTA's shared cost pooling to insure your organization only pays for its own claims and not anyone else's. To the right is a savings* case study of one of our Kentucky members.

Who We Serve

Over 1,700 organizations, representing all sectors of the nonprofit community, rely on us to maintain and manage their unemployment needs.

Summary of Benefits

- Lower cost than State Unemployment Taxes (SUTA)
- No pooling or shared risk
- Fixed annual cost (four equal quarterly payments)
- Professional claims management with representation at all hearings
- Full or partial insurance coverage
