

KENTUCKY G.R.A.N.T. PROGRAM

(HOUSE BILL 9)

A majority of nonprofits surveyed by Grant Ready Kentucky say that grant match requirements are a significant barrier to accessing federal funding.

To mitigate this problem, Kentucky nonprofit advocates championed House Bill 9, the Government Resources Accelerating Needed Transformation (G.R.A.N.T.) Program, which was signed into law on April 7, 2023.

About

The G.R.A.N.T. program establishes an innovative grant matching fund in Kentucky, enabling better access to federal resources for nonprofit projects in rural communities.

\$2M

The program includes an initial \$2 million fund to match federal grants for priority county projects.
