

KENTUCKY – YOUR VOICE COUNTS!

Filling out the census is quick, easy, safe and it helps you and your family more than you know. Taking the census helps Kentucky receive funds for housing assistance, be sure lending practices are fair and helps determine neighborhoods in need. **You can help Kentucky get the most funding possible!**

MINUTES

Taking the census is safe and secure. In fact, it's the law that your personal census information cannot and will not be shared. The census will NOT ask about your citizenship or immigration status. The census will NOT ask for your income, education level or Social Security number.

Taking the census is essential to funding the valuable programs you, your family and your community need. Be counted and take the census in the spring of 2020!
