

KENTUCKY NONPROFIT NETWORK **EMPLOYEE BENEFITS** PROGRAM

You care about your organization's mission.

We care about you and your employees.

You want to attract and retain the best talent to advance your mission, and offering a great employee benefits plan will certainly help you do that. The **KNN Employee Benefits Program** allows organizations to join together as a collective group to negotiate quality insurance benefits with lower premiums.

Participation in this program not only gives you a competitive advantage, but also supports the education, advocacy and networking benefits you receive from KNN.

Contact us to learn more about how members of KNN can:

- Offer a competitive employee benefits plan
- Attract and retain talented employees
- Simplify enrollment & billing processes
- Gain access to competitive insurance rates as a larger group
- Ensure compliance with laws and regulations
