It’s quick, easy and private

If you’re feeling stressed, worried, or having a tough time, you may want someone to talk to. Now, you can use your employee assistance program (EAP) to have a video visit with a licensed therapist using LiveHealth Online. Talk with a therapist from your home or wherever you have Internet access and privacy.

Scheduling a visit is easy. In most cases, you can make an appointment to see a therapist within four days or less.* This may be sooner than waiting for an office visit.

Counselors on LiveHealth Online can help you with:

- Stress
- Anxiety
- Depression
- Relationship or family issues
- Grief
- Panic attacks

Make your first appointment — when it’s easy for you:

- Give your EAP a call at 800-865-1044 and ask about therapy visits.
- The EAP representative will tell you more about therapy options, including video visits using LiveHealth Online on your computer, smartphone or tablet.
- If video visits are right for you, the EAP representative will give you details about how to schedule a visit as well as a special coupon code.
- You can review a therapist’s background and qualifications and choose one who’s available and right for you.
- You’ll receive a confirmation email once you’ve scheduled a visit.

A few more details

Private therapy visits using LiveHealth Online are free with your EAP. Your EAP can tell you how many you’re eligible for.
