

Kentucky Redistricting

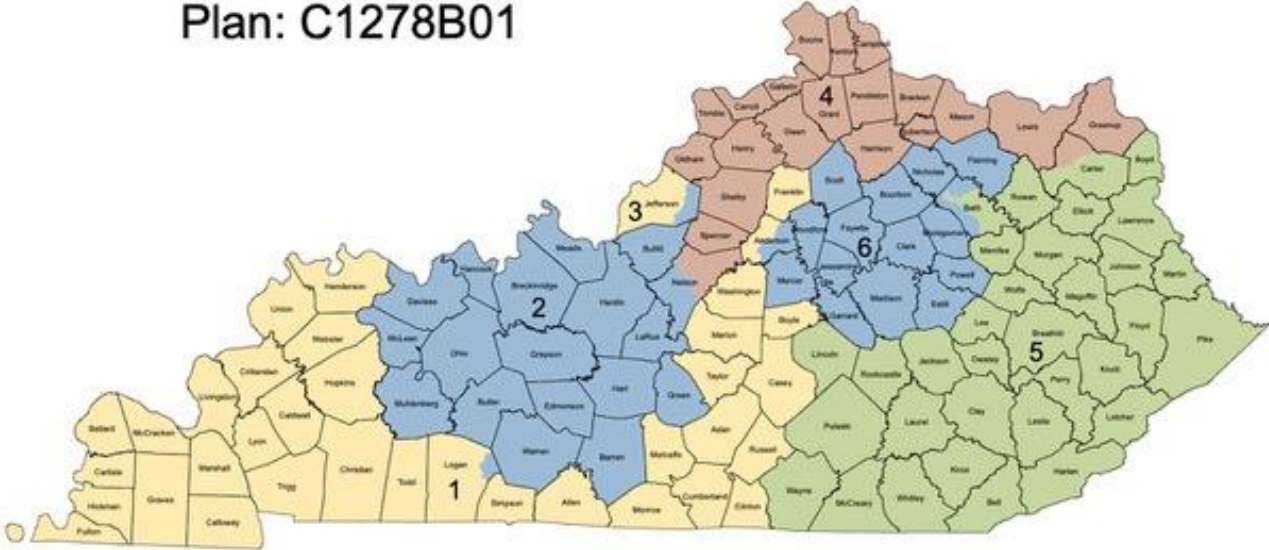

The Kentucky House and Senate filed bills Tuesday, Jan. 4 to redistrict the Congressional, Kentucky House and Kentucky Senate maps. They also filed judicial maps. They intend to wrap up this work on Saturday, January 8 - less than one week.

These maps have not been shared prior to today except for the House proposal, filed December 30, just prior to a long holiday weekend. These maps will be in effect until the 2030 Census data is released, 10 years from now. We believe this process undermines the democratic process.

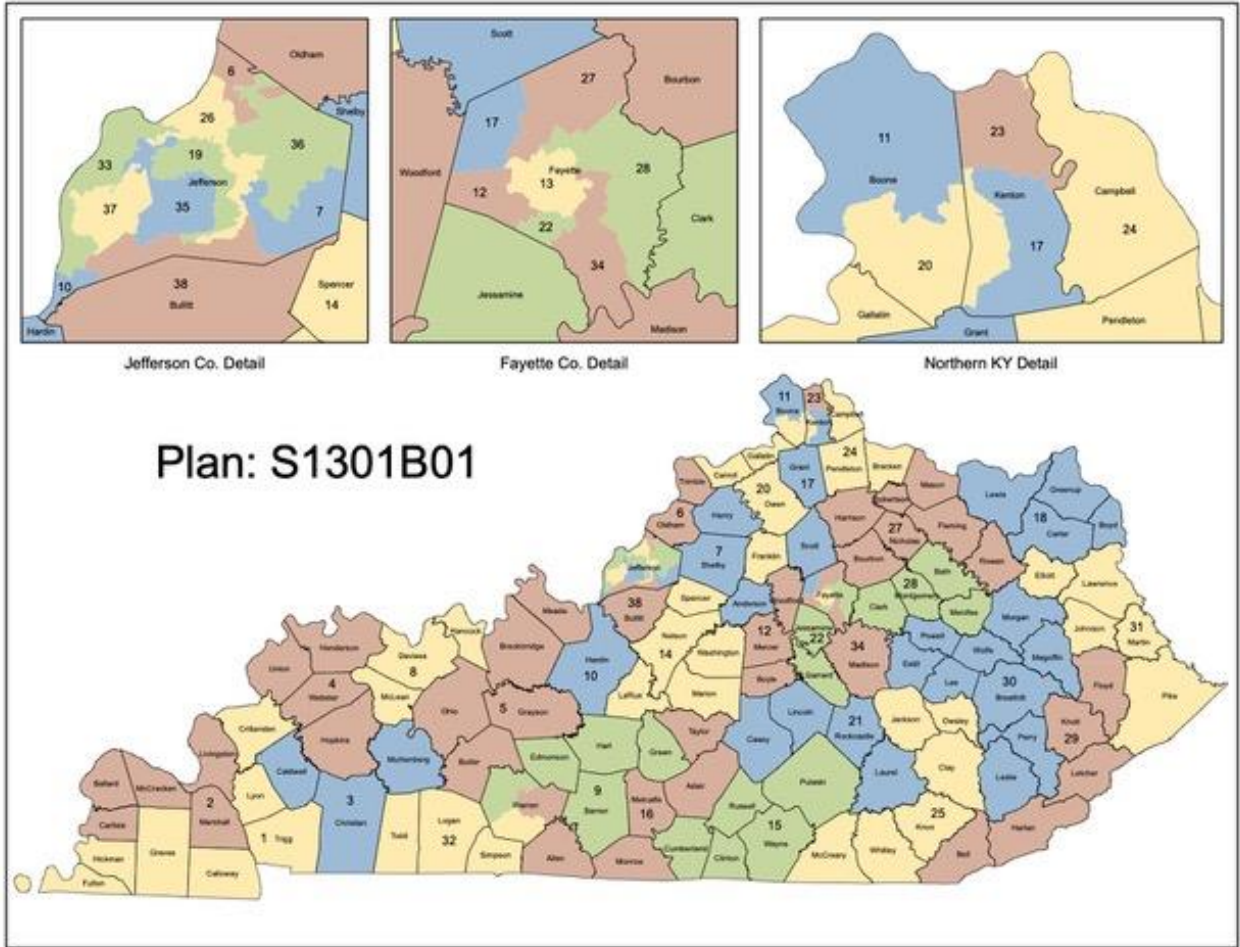

Following are maps showing the new districts:

Proposed Congressional Map filed Jan 4, 2022

Plan: C1278B01

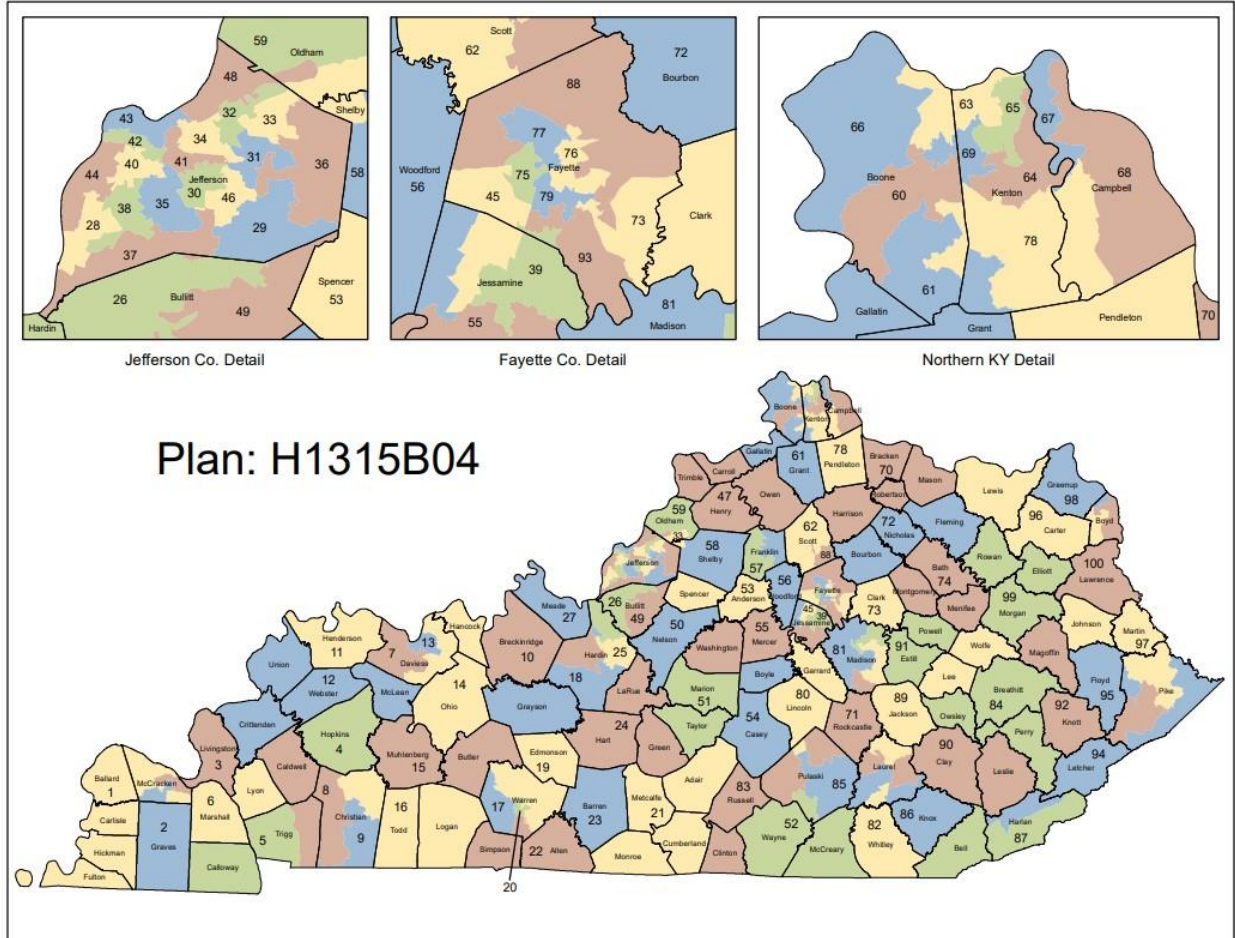

Proposed KY Senate Map Filed Jan 4, 2022

Proposed House Map filed Jan 4, 2022
