

## **Final Recommendation of the Government Nonprofit Contracting Task Force**

*Unanimously approved on November 15, 2016*

Finance Cabinet will coordinate an ongoing collaboration between state agencies and nonprofits who contract with the Commonwealth to explore the following:

- A. The state mirroring all or part of OMB Uniform Guidance regulations and standardizing definitions;
- B. Address gaps between state and federal indirect cost reimbursement rates;
- C. Streamline the Commonwealth's contracting and auditing processes; and
- D. Establish and implement training of the state contracting processes and the OMB guidelines.
