

KY Nonprofits & COVID-19 Check-In Survey

Please tell us how your nonprofit is doing.

Kentucky Nonprofit Network and Grantmakers of Kentucky are relaunching our survey to check in on the needs of Kentucky's nonprofit sector. Your responses will enable KNN, GOK and other partners to continue determining and providing the resources and support needed by Kentucky's nonprofits. Please let us hear from you by Monday, July 20.

***We seek 1 completed survey per organization. The survey should take approximately 15 minutes to complete. You can see the questions [here](#). If there is another person at your organization who is better suited to answer the poll about the economic and programmatic impact, please forward this email to them.**

***All individual responses will be kept confidential.**

***KNN's COVID-19 resource page is updated regularly: <https://www.kynonprofits.org/coronavirus>. We hold weekly virtual town hall meetings. [Please register here](#) and join us on Thursdays at 10:30am.**

***If you would like to receive communications from KNN, [please sign up here](#).**
